Dear Eastridge Families,

Welcome back! We are preparing for your arrival and the wonderful experiences that will fill the 2018-2019 school year. We eagerly await the bright smiles and laughter our students bring with them each and every day. At Eastridge we believe that children are the most successful when the teachers, parents, and students form a team that works together on a common goal- inspiring all students “to think, to learn, to achieve and to care”.

Online parent forms will be available on July 2nd! Remember, each year parent forms must be updated and verified for each child. Go to the parent portal: <https://my.cherrycreekschools.org/> to set up an account to complete your online check-in. Please remember to go through each page of forms and click “submit” at the last page. This will provide the school with emergency contact information as well as medical information and permission forms. **YOUR CHILD WILL NOT BE PLACED IN A CLASS UNTIL THIS CHECK-IN IS COMPLETE.**

Updated information is available on our website. Please visit eastridge.cherrycreekschools.org for updates and additional school information.
