

Online Registration-Parent Forms

For the safety and security of your student, please make sure your contact information is updated after July 1, 2018 for the 2018-2019 school year. This information includes:

- Phone Numbers
- Emergency contacts
- Individual names of who is authorized to pick up your students (in order for student to be released, the individual picking up your student must be authorized on your student's parent Forms)
- Health and medical information

**Parents who already registered using the system from prior years must use the same username and password. If you are needing technical support our computer lab will be open on Thursday, August 10th from 3:00-5:30PM with translator support available.

Below is a list of steps to update or view your student's information after July 1, 2018 for the 2018-2019 school year:

1. Login at: **my.cherrycreekschools.org** to register and update information.
2. Once you are on the "parent Links" page, select "Parent Forms".
3. Follow the prompts and confirm that parent contact information is correct.
4. Once you "confirm" parent contact information, you will then be able to update desired information for each of your students by selecting the "Update" button next to your student's name.
5. Continue to the end of the forms where you have to type your name for an electronic signature and "confirm" and approve all changes. You will then receive an email indicating you have updated your information.
