## Additional ways to keep your children healthy

- Encourage and review good handwashing technique with your children
- Establish a consistent bedtime and wake up schedule to ensure adequate sleep

## Transportation of Medications

Parents/Guardians are requested to be personally responsible for the delivery of student medications to and from school, and should hand them directly to the nurse, building administrator, or other school official. In the event an approved adult is unable to bring the prescription or medication to school, that individual shall contact the school and notify the nurse or other school official of the date the medication is to arrive, giving the name of the medication and the exact quantity of medication included in the properly labeled container.
